

# "CARD TRICK RUNNER"

Wednesday Feb. 21, 2024

*Heirlooms by Designs Quilt Shop* 9 am - 4 pm

I designed this runner to show how great the Tucker Trimmer from Studio 180 Designs is to work with and get your units to be more accurate. It is also a great refresher project for the quilter who owns a Tucker Trimmer, but hasn't used it in a while. Any pattern can be adapted to be able to use the Tucker Trimmer to make all those half square triangles, quarter square triangles, combo, and shaded 4 patch units.

*Love to have you join Nicki and Josy for this class.*
